CLUB NOTES

Our East London visitors have had few opportunities in the past to grace the Deepdale scene, in fact their visits have been strictly rationed to half a dozen in Division Two, and all prior to 1929, when the club was better known as Clapton Orient. Founded in 1881, Orient became a professional club in 1901, then followed admission to the Football League competition in 1905, changing the club name to Leyton in 1946.

First at Deepdale at the opening of the 1912-13 season, when in the second game of that campaign they had a shock win here, our only loss in the opening 11 games of that season when we were promoted. Ironically this is the only Orient success on this ground: 1912-13, 0-1; 1914-15, 2-2; 1925-26, 4-1; 1926-27, 2-2; 1927-28, 0-0 (on the Saturday following Alex James' wonder display at Maine Road, Manchester) and finally 1928-29, 5-2. This last visit to Deepdale was on November 17th, 1928, in a season when Clapton were destined to go down to the Third Division for the first time and to remain out of League Two until 1956.

Interesting to note the North End line-up on that occasion, which was: Frank Moss; Tom Hamilton, Jasper Kerr; FrankWard, Dave Morris, Bobby Crawford; Alec Reid, Kenny Cameron, Alex Hair, Alex James, George Harrison. Kenny Cameron proved to be just one of eight players tried at inside right for the injured Willie Russell, seriously hurt in a friendly at Leyland just two months previously—and Alex Hair had joined the band of North End Scots four weeks previously at a four-figure fee from Partick Thistle.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.
